ITS BACK!

Welcome to the first round of the 2021 BIG V season and what a great first up double header we have today.

Our VYCW have a new look group for 2021 and new coach leading the charge. Dean Constantineas takes the lead for 2021 and will be looking to build on the teams 11-11 record from 2019. We have injected some youth into the team this year with a number of our under 18s making the jump to senior basketball. The core is back with likes of Weston, Parsons, Cox and Lok. This years team should be an exciting one, good luck to the coaches and the girls for the season ahead.

Our VYCM will once again be coached by Daniel O'Neill in 2021. The Falcons are coming off an up and down year in 2019 and will be looking for a more consistent season. The Falcons will bring back a number of last years core members with the likes of Piech-Meat, Tennant and Keble. You will see a deep Falcons unit this year. Good luck to the coaches and the guys for the season ahead.

Today will be a fantastic test against Victorian Youth Championship powerhouse Melbourne in Round 1. The Tigers are always around the mark so our Falcons will have a good idea where they stand after todays games.
