PLAYER OF THE MONTH

Brett Fennell—Bulleen Boomers

A big month from Fennell included 4 games where he dropped 30 plus and 3 games he had more than 10 rebounds for a huge month. The Boomers may be toughing it out but Fennell has been inspirational all season.

YL1M

COACH OF THE MONTH

David Brown—Geelong Cats

Geelong's season looked like it was heading in dire straits before they clicked into gear, winning 3 of their last 5 games. They are in the hunt for finals, thanks to some quality coaching from David Brown.

YLW

PLAYER OF THE MONTH

Natalie Karantzoulis—Diamond Valley Eagles

The Allstar guard has been instrumental in the Eagles dominance this season. Karantzoulis has been a consistent force this month which has earned her player of the month honours for May.

YLW

COACH OF THE MONTH

Paul Stirton—Waverley Falcons

All of a sudden, it's Waverley, not Diamond Valley who are all the talk in YLW. Stirton has them firing on all cylinders and they didn't lose at all in May, earning him Coach of the Month for May.
