

Support our Green Shirts

Trainees begin on court this week. They are wearing fluoro green shirts and are very recognisable.

Please read below to see how you can support our Green Shirt Referees.

- 1) Respect** their **decisions**; they are learning how to make correct, clear and confident decisions. They will make mistakes. If you would like to raise an **issue** then please **speak** with their **mentor**, not the trainee.
- 2)** We have a **no tolerance** policy towards any player **intimidating** or **questioning** calls **of a trainee**. This should be an automatic **Technical Foul** and a five minute penalty in the sin-bin.
- 3)** Once trainees show **independence** they will be **awarded** their **apprentice** badge. This allows them to referee opposite their mentor, and quite often will also have another referee on the sideline also. If you have any questions then please speak to their mentor.

If you would like to discuss anything further regarding our development program, then please do not hesitate to contact me.
