No time-outs in the last minute of the first half

All time-outs are for one minute in duration

***CLOCK STOPS ONLY IN THE LAST TWO (2) MINUTES
OF THE SECOND PERIOD FOR ALL WHISTLES***

GAME START REMINDER

WBA requires all games to commence accordingly to their scheduled time. Referees have been advised to use the scoreboard clocks as the official time.

Teams are reminded to pay attention to the green count down timers used on the scoreboard prior to their game, so that all players can be on the court ready to start the game when the clock expires and displays the scheduled start time. The requires all teams to be ready to help the overall schedule and future games begin on time successfully.

If you believe there will be a colour clash then the first named team (team listed first on schedules and the team on the left of the screen) gets priority. It is the team on the right of the screen which needs to organize alternative tops BEFORE the scheduled game start time.
