GAME START REMINDER

WBA requires all games to commence accordingly to their scheduled time. Referees have been advised to use the scoreboard clocks as the official time.

Teams are reminded to pay attention to the green count down timers used on the scoreboard prior to their game, so that all players can be on the court ready to start the game when the clock expires and displays the scheduled start time. The stadium needs all teams to be ready to help the overall night and future games begin on time successfully.

If you believe there will be a colour clash then the first named team (team on the left of the screen) gets priority. It is the team on the right of the screen which needs to organize alternative tops BEFORE the scheduled game start time. Tops can be hired from the canteen for \$8.00 a set, or \$2.00 per individual shirt, and be returned after you play.
